DETAILED ACTION

1. Claims 1-9 and 23-34 are pending.

Claim Rejections - 35 USC § 103

2. Claims 1-9 and 23-34 are rejected under 35 U.S.C. 103(a) as being unpatentable over Alaia, US 6,230,146 in view of Walker, US 6,418,415.

Alaia has been previously discussed from the March 12, 2004 non-final Office Action, paragraphs 3 and 5. Both of these paragraphs are incorporated herein.

Walker discloses aggregating requests from different users for one or more of the same items, e.g. Abstract.

To have provided aggregating requests from different users for one or more of the same items disclosed by Alaia would have been obvious to one of ordinary skill in the art in view of Walker. The motivation for having done this would have been increased efficiency and greater business profits.

Applicant's REMARKS have been reviewed, but are moot in light of the new rejection resulting from Applicant's October 12, 2004 Amendment.

3. Further pertinent references of interest are noted on the attached PTO-892.

Walker, US 6,466,919, discloses aggregating conditional purchase orders.

Andrews, US 6,285,986, discloses aggregating items to be sold, e.g., cols. 3-4.

Conclusion

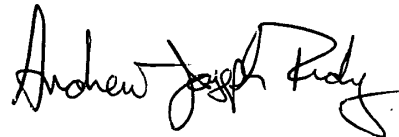

4. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
